Subject: Resolution Authorizing the Release of Unneeded Canal Reservation along NW 107 Avenue and North of NW 146 Street in the City of Hialeah in Miami-Dade County as Requested by Condotte America Industrial Properties, LLC

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of a Miami-Dade County disclaimer for the release of unneeded canal reservation along NW 107 Avenue and north of 146 Street in the City of Hialeah, within Tracts 16, 17, 18, 19 in the Southwest ¼ of Section 20, Township 52 South and Range 40 East, Miami-Dade County.

Scope

The site is located along NW 107 Avenue and north of NW 146 Street in the City of Hialeah in Commission District 12, which is represented by Commissioner Jose "Pepe" Diaz.

Fiscal Impact/Funding Source

This item does not require the expenditure of any Miami-Dade County funds.

Track Record / Monitor

The Water Control Section Manager within the Department of Regulatory and Economic Resources, Division of Environmental Resources Management, Maria D. Molina, P.E., will be responsible for tasks related to this transaction.

Background

In 1959, the Central and Southern Florida Flood Control District, later known as the South Florida Water Management District, gave to the County a canal reservation in Miami-Dade County for canal and water management purposes in connection with the Miami-Dade County Water Control Master Plan over the west 130 feet of Section 20, Township 52 South and Range 40 East, now located along NW 107 Avenue and north of NW 146 Street, as shown in Attachment A.

The property encumbered by the above-stated canal reservation is owned by Condotte America Industrial Properties, LLC, who has requested the release of the canal reservation within the subject property that is along NW 107 Avenue and north of NW 146 Street. In accordance with the Miami-Dade Water Control Master Plan, no future canal is proposed within the subject property and the future NW 107 Avenue Canal will be located on the west side of the west section line of Section 20, Township 52 South, Range 40 East. Therefore, the subject canal reservation on the east side of the west section line, with a total area of 2.61 acres, is not needed for canal and water management purposes. It is therefore recommended that the Board authorize the execution of the attached Miami-Dade County disclaimer for the release of unneeded canal reservation.

Following the release of the 130 foot wide canal reservation by the County, Condotte America Industrial Properties, LLC, would need to pursue further release from the South Florida Water Management District and/or other agencies or entities, as appropriate.
